The Foundation Supply Kit is intended to serve as a basic set of starter supplies; it will be necessary for you to purchase additional materials throughout the semester or year, on a per project basis. Items can also be purchased individually as needed. For academic year 2021-2022, the DAAP Bookstore and Plaza Art (both local vendors) have requested the Foundation Supply Kit below so that they may offer a kit available for purchase. A list of computer recommendations can be found at the following link: https://daap.uc.edu/current-students/incoming-students/computers.html
